University for Peace

Belgrade, 26 February 2016.

The European Center for Peace and Development (ECPD) University for Peace established by the United Nations organizes, based on the Agreement on Long-Term Cooperation with the Collaborating Center of the World Health Organization for Traditional Medicine and Acupuncture, Institute of Acupuncture of the Chinese Academy of Traditional Medicine, Chinese International Center for Training in Acupuncture Beijing, World Federation of Acupuncture and Moxibustion Beijing, International College for Acupuncture and Electrotherapeutics New York and Institute of Traditional Medicine of the Russian Academy of Sciences Moscow

ECPD INTERNATIONAL SPECIALIST SCHOOL ON QUANTUM-INFORMATION MEDICINE

(Beograd, 19. September – 15. October 2016.)

SCHOOL ON QUANTUM-INFORMATION MEDICINE is intended for **doctors and dentists** and harmonized with the educational program of the World Health Organization (WHO).

SCHOOL ON QUANTUM-INFORMATION MEDICINE will be managed by Academician Prof. dr. sc. med. Antonije Škokljević and Prof. dr. Dejan Raković, as Co-Directors of the ECPD International Specialist School on Quantum-Information Medicine.

Lecturers are eminent scientists, professors and experts in quantum-information medicine with long-standing practical experience in the field of quantum-information medicine.

This new ECPD educational program is based on the new holistic methods and devices of quantum-information medicine, with special emphasis on the practical work on quantum-information medicine. In the focus of these new methods, oriented on treating one's whole being and not a

disease as symptoms of disorders of such a whole are the body acupuncture system and consciousness which proved to have quantum-holographic information structure, with significant psychosomatic implications.

The ECPD provides participants with complete teaching program (theoretical and practical part), interpretation, literature, equipment and tools.

Participants who have previously finished ECPD International Specialist School of Traditional Medicine and Acupuncture may optionally attend the first half of 150 classes of the planned curriculum which refers to the basic elements of modern acupuncturology.

After successfully completed School on Quantum-Information Medicine in the duration of **300 classes** of theory and practice, including additional individual practical work under mentor supervision and passed final examination, the European Center for Peace and Development gives participants international **Diploma**.

An application for enrolment in the School shall be sent at the address: European Center for Peace and Development (ECPD) University for Peace, Beograd, Terazije 41, tel. 011/3246-041, 3246-042, fax: 011/3240-673, 3234-082; e-mail: office@ecpd.org.rs i ecpd@eunet.rs.

Tuition fee for attendance of the School is **1,800€**. For participants who have already finished ECPD International School of Traditional Medicine and Acupuncture, tuition fee is **1,000€**. The fee can be paid in several installments in the account of the ECPD which is specified in the application.

Yours sincerely,

BASIC INFORMATION

ECPD INTERNATIONAL SPECIALIST SCHOOL ON

QUANTUM-INFORMATION MEDICINE

ECPD INTERNATIONAL SPECIALIST SCHOOL ON QUANTUM-INFORMATION MEDICINE

ECPD INTERNATIONAL SPECIALIST SCHOOL ON QUANTUM-INFORMATION MEDICINE Belgrade was founded on the basis of the ECPD's **goals and mission** in the field of traditional medicine and the **recommendations of the World Health Organization ON COMPLEMENTARITY AND INTEGRATION OF MODERN AND TRADITIONAL MEDICINE**.

This new ECPD educational program is based on the new holistic methods and devices of quantum-information medicine - with special emphasis on the practical work on quantum-information medicine, both in the microwave and in the ULF range - the application of which in the last two decades has achieved significant clinical results in the prevention and treatment of stress and psychosomatic disorders.

Participants who have previously finished ECPD International Specialist School of Traditional Medicine and Acupuncture may optionally attend the first half of 150 classes of the planned curriculum which refers to the basic elements of modern acupuncturology.

School on quantum-information medicine is intended for **doctors and dentists**, as a form of professional development. TEACHING PROGRAM of the quantum-information medicine is a natural extension of many years of teaching in traditional medicine and acupuncture.

In order to improve the School program, the ECPD concluded COOPERATION AGREEMENTS with the following institutions:

- **International College for Acupuncture and Electro-Therapeutics, New York;**
- **Institute of Acupuncture and Moxibustion of the Academy for Traditional Chinese Medicine, Collaborating Center WHO, Beijing;**
- **Institute of Traditional National Medicine Russian Academy of Sciences, Moscow;**
- **Institute of Preventive Medicine, Political and Health Psychology, Heidelberg;**
- **National Institute of Public Health, Athens;**
- **National Institute of Public Health, Ulan Bator;**
- **World Federation of Acupuncture and Moxibustion Societies (WFAS) Beijing;**
- **Liaoning Overseas Chinese Research Institute of New Medicine Shenyang;**

Participation in the delivery of lectures by distinguished experts in traditional, quantum-information and modern medicine from different countries allows comprehensive and modern advancement of doctors and dentists and represents a step forward towards creating an integral and unique system of medical knowledge needed to ensure better quality of human life.

After successfully passed final examination, participants receive an internationally valid **ECPD DIPLOMA**.
