**XXX ECPD INTERNATIONAL SUMMER SCHOOL  
MANAGEMENT OF HEALTHCARE INSTITUTIONS  
WITH THE MAIN TOPIC**

**PROFESSIONAL MANAGEMENT – THE KEY TO  
SUSTAINABILITY OF HEALTHCARE**

(Hotel Splendid – Budva, 18 – 21 June 2025)

The Jubilee XXX ECPD International Summer School on Management of Healthcare Institutions with the main topic "**Professional management – the Key to Sustainability of Healthcare**", organized by the **European Center for Peace and Development of the United Nations University for Peace**, was held from **18 to 21 June** in Budva - Hotel "**Splendid**".

The School was opened with introductory speeches by **Academician Prof. Dr. Negoslav Ostojić**, ECPD Executive Director, **Dr. Hans Henri P. Kluge**, Director of the World Health Organization for Europe, Denmark, **Academician Prof. Dr. Milan Nedeljković**, President of the Serbian Medical Society, Faculty of Medicine, University of Belgrade, **Prof. Dr. Miodrag Todorović**, Co-Director of the School, Director of the "Panafricare" Clinic - Seychelles, **Prof. Dr. Tina Bregant**, Co-Director of the School, Faculty of Health "Angela Boškin" Ljubljana, former State Secretary in the Ministry of Health of Slovenia and **Dr. Melita Vujnović**, Special Advisor to the ECPD Executive Director.

**Co-directors** of this year's School were also **Prof. Dr. Klaus-Dirk Henke**, professor emeritus and long-term Head of Department of Health Economics and Health Management at the University of Berlin, **Prof. Dr. Luca Rossi**, Director of Department for International Cooperation, National Institute for Public Health of Italy and **Prof. Dr. Thomas Lux**, Director of Competence Center eHealth, Niederrhein University of Applied Sciences, Germany. Lectures were given by prominent international experts.

The Program was carried out through the following thematic sessions:

- ***Basic Concepts and Practical Aspects of Management in Health Care***
- ***Digitalization and Possibilities of AI Applications in Health System Management***
- ***Human Resources as a Key Element of the Sustainability and Quality of Healthcare***
- ***Contemporary Models of Healthcare Financing - Experiences from Countries in Transition***

Within the Program, thematic round tables and panel discussions were organized, aimed at considering comparative experiences in solving certain current issues in the healthcare systems of the countries in the Region. **The Workshop: How to deal with conflicts - personal questionnaire and interpretation** was also held and was followed with great interest and engagement of the participants.

Upon completion of the education, participants were awarded with internationally and nationally accredited Certificates of the European Center for Peace and Development of the United Nations University for Peace, with a note that the **Program was accredited as an International Seminar of the 1st category with 14 points for lecturers and 7 points for participants (Accreditation number A-1-291/25) by the Health Council of Serbia.**

We wish to extend our sincere gratitude to all the lecturers and participants, who recognized the significance and potential of this International School as an important meeting point and place for exchanging experience of managers and other decision-makers in health care systems from the region of Southeast Europe.
